BunnyBears Preschools enroll new children and transfer children from Infant Toddler center in August and September, at the beginning of each new school year. Children must be two years old before enrolling in preschool. Because of this, children who turn two after September 30<sup>th</sup> will transition to preschool the following school year, unless a space becomes available mid-year.

Please Initial:

\_\_\_\_\_ I acknowledge that I, the parent/guardian, is responsible for communicating with the Preschool Director(s) to initiate my child's transition to preschool.

\_\_\_\_\_ I understand that my child has priority enrollment for one of BunnyBears two preschool locations, though enrollment is not guaranteed and depends on my timely communication.

We look forward to learning alongside your child all the way through to Kindergarten and will do our best to accommodate your needs and desired preschool location.
